ROLLER BANNER SPECIFICATIONS

Artwork Deadline:
17 OCTOBER 2025

Roller Banner Dimensions:

2000 mm (w) x 2000 mm (h) visible area

- 1 2000mm (W) + 20 mm bleed on left and right side
- 2 2000mm (H) + 20 mm bleed top and bottom
- 3 Include additional 200 mm at the bottom of the artwork for the leader mechanism.

**Please ensure your creative is to the dimensions above.
NO TEXT IN THE LOWER 200mm, as this is for the
mechanism, and will not be visible when the banner is
extended.**

Supply a high resolution PDF with 20mm bleed and printers marks.

- Images to be high resolution @ 300 dpi
- EPS files must have ALL text converted to outline for Adobe illustrator
- Flattened artwork with **NO** hidden layers or transparencies.

Each sponsor is advised that these areas will be of common type and design, and that there is **NO provision for sponsors own pop-up or pull-up signage, or any free standing equipment.**

Send artwork using the following options:

wetransfer.com
mailbigfiles.com
